

This advertising periodical is brought to you by the Greater Smoky Valley Chamber of Commerce (GSVCC) and the Town of Round Mountain (TRM). The goal of this periodical is to offer businesses in Smoky Valley an opportunity to advertise to the public, and for the public to have another resource to find what they need locally. For more information about advertising in this periodical please see page 4.

GSVCC: Meetings are held every 3rd Wednesday of the month at 5:30 in the Library conference room. Have ideas to help your business and/or others? Don't have a business, but still want to help? Please join us. "We need you, the people of Smoky Valley, to help the community grow".

Town of Round Mountain (TRM): Scheduled Town Board meetings are held on the 2nd and 4th Tuesdays of the month at 4:00 pm in the Simpson Center.

Smoky Valley Community Development Team (SVCDT): Meetings are held every 3rd Thursday at 4:00 at the Simpson Center Bronze room.

Community Interest Spot

American Legion Post 18

by Carol Shilling

Smoky Valley is very lucky to have an active American Legion organization. The American Legion is the nation's largest and most respected organization of war-time veterans. Through community and youth-oriented programs, The American Legion strives to further a strong sense of patriotism and loyalty.

- The children and youth programs have three main objectives:
1. To strengthen the family unit,
 2. To maintain well-rounded youth programs,
 3. To support other organizations which serve children and youth.

The American Legion is an organization of veterans serving other veterans, their widows and widowers, and their orphans. Through strong grassroots lobbying and a dedicated professional staff, The American Legion is among those organizations that wield the greatest influence on the nation's legislative system. The American Legion's "official voice" in the Halls of Congress continues to advance the legislative mandates for veterans and their families. Issues that affect veterans economically, such as: employment, job training, and vocational rehabilitation are important to the organization. It also has programs pertaining to a National Emergency Fund and National Security. Besides being part of this patriotic organization that serves our country, through membership you will receive many other benefits. For more information go to www.legion.org or contact your local American Legion Post #18. If you are not eligible to become a member please support your local Post. The American Legion. Patriotism. Service. Fraternity.
